

## The Law of Increasing Odds

hazard x exposure x vulnerability  
= impact

impact x ignorance x shock  
= panic

panic x denial x complicity  
= folly

folly x wealth x self-interest  
= power

power x knowledge x industry  
= hope

hope x courage x support  
= progress

progress x cynicism x greed  
= pressure

pressure x technology x error  
= hazard...
